

Comprehensive digital lessons, curriculum resources and easy to use digital tools, that can help our children meet and exceed national standards.

**DISTRICT and STATE REQUEST FOR SPONSOR**

Dear Sponsor,

As school funding continues to be challenging, we are requesting corporate sponsorship to Complete Curriculum Resources for the K-12 teachers in our schools. Complete Curriculum will provide our teachers with digital resources which can help our children meet academic standards and save our district money on educational resources. Through your sponsorship our teachers, students and parents will be able to freely access this curriculum resource.
